HADITH OF THE WEEK

Charity does not decrease wealth, no one forgives another except that Allah increases his honor, and no one humbles himself for the sake of Allah except that Allah raises his status. (Sahih Muslim)

SAFEGUARDING

Have you considered the risks your child faces in school, out of school and at home? Have you noticed any change in their behaviour? Talk to us about it – even if it seems small.

The wellbeing officer, Moulana Junaid and DSLs, Ustaadh Azmol, Moulana Shahidullah, Moulana Abir, Moulana Ibrahim, and Ustaadh Azharul are on hand to discuss any worries. **Call us or simply email!**

SCHOOL BEGINS

Alhamdulillah, we have completed our first term of our school year, and students enjoyed a full 2 weeks off!

Students started the first day receiving some powerful Nasihah by our esteemed teachers regarding the importance of education and how to better themselves for the new term.

We ask that Allah Azzawajal grants us the Tawfiq to try our hardest in all of our studies, Ameen.

AS-SUFFA RELIEF FUNDRAISER

Students were encouraged by As-Suffa Relief in December to raise money for orphans in Pakistan so they get some education, housing, food and more!

As-Suffa Institute & charity recognised our students' generosity and efforts by giving out certificates and a tablet to the highest fundraiser. Students raised a massive £3414 for street orphans in Pakistan, Masha'Allah!

May Allah Azzawajal bless all of the students for their efforts, Ameen.

YEAR 9 SCIENCE EXPERIMENT

Mashallah, Year 9s conducted another science experiment on crystallisation. Led by Dr Khan and Sayeed (Yr9), students learnt about making salts out of solutions and more! We hope that inshallah, students can apply this knowledge into their exams and their work in the future, inshallah.

SEERAH ESSAY COMPETITION

Mashallah, many students competed in a Seerah essay competition, where they wrote an essay based on an aspect of the life of our beloved Prophet Muhammad ﷺ. Each essay ranged from 500-1000 words, and students who participated were rewarded with medals and certificates.

We ask that Allah to reward their eagerness to study the life of our Prophet Muhammad ﷺ, Ameen.

MUSLIM SCHOOLS **CONTAINER** **FOR SYRIA**

AMS: AID FOR SYRIA PROGRAM

Alhamdulillah, Darul Uloom Islamic High School has officially registered for the Aid for Syria program as part of the Association of Muslim Schools (AMS).

It involves each Islamic school delivering a container full of supplies and necessities for those who are displaced or are suffering from poverty in Syria, and all students are encouraged to donate what they can for a good cause, Insha'Allah.

JUMMAH KHUTBAH

Last Friday, Muhammad A (Year 7) delivered a beautiful sermon in the Jummah Khutbah. Masha'Allah, he showed great confidence as a Year 7 student. Abdullah (Year 7) gave a beautiful Adhaan and Umar Chowdhury (Year 11) led the prayer.

May Allah ﷻ bless all of those who helped make the Jummah Khutbah happen, and may Allah ﷻ grant us all Jannat-ul-Firdaus! Ameen.

NASIHAH WITH DR ABDUL MATIN

We were blessed to have our very own Dr Abdul Matin deliver last week's Nasihah. He spoke about the importance of the Islamic months in the calendar, citing important ahadith and giving the students more confidence in seeking out blessings during these months.

May Allah reward and increase his knowledge!
Ameen.

MESSAGE FROM THE OFFICE: LATENESS

We have noticed that some students are arriving late to school. This is affecting the point system negatively. Please be mindful that arriving late repeatedly can lead to further consequences such as loss of learning time and parent meetings.

Being late to school heavily compromises your learning, and it also affects your ability to fully engage in lessons and complete your work on time.

Let's all make an effort to arrive promptly and make the most of our learning time!
